

## Cardiac Ablations Visualized in the iCMR

### JOIN US!

Your colleagues Prof. Gerhard Hindricks and Dr. Marisevi Chaldoupi will discuss their clinical successes using Imricor's Vision-MR™ Ablation Catheter- the FIRST and ONLY catheter approved to perform cardiac ablations during real-time MRI scanning.

- iCMR workflow
- Lesion visualization
- Overcoming anatomical challenges with real-time imaging
- Clinical implementation while working in the iCMR
- Case studies and clinical study
- Value of MR guided ablations
- Real-time anatomical assessment and guidance

Prof. Gerhard Hindricks  
Heart Center of Leipzig

RHYTHM THEATER 2  
THURSDAY, JULY 29  
9:30 - 10:30 AM

Dr. Marisevi Chaldoupi  
Maastricht UMC+
